Chico, CA 95927

### **CERTIFICATE OF COMPLETION, HUMBOLDT ROAD BURN DUMP, ASSESSORS PARCEL NUMBER (APN) 018-500-016, APN 018-500-136, AND APN 018-500-138**

On 8 July 2004, the Central Valley Regional Water Quality Control Board Executive Officer approved the Final Remedial Action Plan (RAP), Humboldt Road Private Properties Operational Unit for Assessors Parcel Number (APN) 011-030-136, APN 011-030-138, APN 011-030-139, APN 011-030-016, APN 011-780-018, APN 011-780-014, APN 002-180-084 and APN 002-180-086. APN 011-030-016, APN 011-030-136, and APN 011-030-138 are currently known as APN 018-500-016, APN 018-500-136, and APN 018-500-138, respectively.

During summer 2004, approximately 37,000 cubic yards of waste material were removed from APN 018-500-138 and transported to the consolidation cell regulated by Waste Discharge Requirements Order No. R5-2004-0088. Approximately 139,000 cubic yards of additional waste from APN 018-500-016, APN 018-500-136, APN 018-500-138, APN 002-180-084, and APN 002-180-086 were removed and placed into the consolidation cell during summer 2005. Confirmation samples, collected to quantify the residual concentrations of lead following remediation of the five properties, have an average concentration of 39.5 mg/Kg, which is less than the lead remedial action goal of 224 mg/Kg approved in the RAP. The background soil lead concentration for HRBD is 19 mg/Kg.

Small quantities of residual waste remain within the root zones of several larger Oak and Cottonwood trees along Dead Horse Slough (APN 018-500-016, APN 018-500-138, APN 018-500-136) and within a limited area of a former berm located along the north side of Dead Horse Slough (APN 018-500-136). The waste is capped in place, therefore threats to human health and the environment are not anticipated.

On 20 September 2005, Central Valley Water Board staff notified interested parties of their opportunity to provide comments on the September 2005 Confirmation Sampling Results, Humboldt Road Private Properties Operational Unit. No comments, related to APN 018-500-016, APN 018-500-136, and APN 018-500-138, were received during the 60-day time period.

On 16 December 2005, the Central Valley Water Board Executive Officer issued the enclosed Certificate of Completion for the Humboldt Road Burn Dump properties owned by Thomas and Mary R. Fogarty Revocable Trust, APN 018-500-016, APN 018-500-136, and APN 018-500-138. The Certificate of Completion for APN 018-500-016, APN 018-500-136, and APN 018-500-138 is subject to the Conditions described in Exhibit C.

In order to conserve resources, a paper copy of the Certificate of Completion is only being sent to the City of Chico and Thomas and Mary R. Fogarty Revocable Trust. Electronic copies of the Certificate of Completion and Exhibits A, B, and C are available for viewing and downloading on the Regional Board's website at [http://www.waterboards.ca.gov/centralvalley/available\\_documents/index.html](http://www.waterboards.ca.gov/centralvalley/available_documents/index.html). If you do not have access to the internet or otherwise require paper copies of these documents to be sent to you, please contact Karen Clementsen at (530) 224-4852 or the letterhead address.
